Hutchinson, Minn.

Dear Mr. Sampson:

This letter is to verify your reception of our signal on October 13, 1960.

At this time of night we are operating on a two tower directional pattern with 500 watts. This pattern is drawn in on the south to protect WFBM, Indianapolis, Indiana and it is 16° to the northwest.

Thank you for your letter. Please let me know if you wish any additional information.

Sincerely,
