Dear John:

It was a pleasure to meet you, John, and visit with you a short time on Saturday, September 2.

I was very interested to hear that you had heard WBIZ, Eau Claire, Wisconsin, 1400 KC at your home in Hutchinson, Minnesota, May 9, 1961. You heard the "sign on" announcements and the beginning of the National Anthem.

If you have any other listening reports, please let us know.

Yours very truly,

WBIZ, INCORPORATED
