Dear John,

This is to acknowledge receipt of your letter concerning your pick-up of our Sunday morning broadcast, June 11, 1961 from 9:53 to 10:10 A.M. CDT. All of the information you supplied in your report is factual and correct. Along with this verification, you might be interested to know that we operate with 1000 watts of power from 6 A.M. to 6 P.M. daily except on Sunday when we sign on at 7 A.M. Our antenna is a 200 foot, series excited, guyed steel tower, non-directional. Antenna current is 3.64 amperes. Antenna resistance is 75.4 ohms.

Thank you for your concern. I hope this verification is sufficient.

Kindest regards,

Mitch Dupre
