Dear Mr. Sampson:

This letter will confirm your reception report of WCYB at 5:05PM Dec. 31 1961. Your report checks with our program log. Your report is the first we have received from the state of Minn.

WCYB operates on 690 KC with a power of 10 KW from sunrise to sunset, non directional. We wish to thank you for the report and wish you luck in your Broadcast DX ing. If by chance you ever log WCYB TV on Channel 5 we would appreciate a report.

Respectfully

R. V. Robinson
Chief Engineer
