Dear Mr. Sampson:

I am pleased to hear you received our station on January 21, 1961. This is a verification of your report of receiving Radio Station WDZ. Your list of our programming was correct.

WDZ is a 1000 watt daytime only station, using a 254 foot nondirectional vertical antenna and a Gates EC-1F transmitter.

If you happen to be in the Decatur area, please feel free to stop in and visit us.

Yours truly,

*Clifford V. Hahn*
