CENTRAL MICHIGAN'S ONLY DAILY ADVERTISING MEDIUM

January 18, 1962

John Sampson  
1065 Jefferson St. So.  
Apt. 10  
Hutchinson, Minn.

Dear John,

Your note concerning our broadcast of January 14 is correct.

It is interesting to note that just a week prior to your picking up our signal, a chap in Nova Scotia also heard WFYC, with about the same interference you noted in your letter.

We have a 150 foot <sup>3265</sup>sustaining tower.

I am enclosing a coverage map of the station for your future reference.

Thanks for your letter and your interest in WFYC.

Cordially,

WFYC, INC.
