New Richmond, Wis.

This is Friday
September 1, 1961

Mr. John Sampson
1065 Jefferson St. So.
Hutchinson, Minnesota

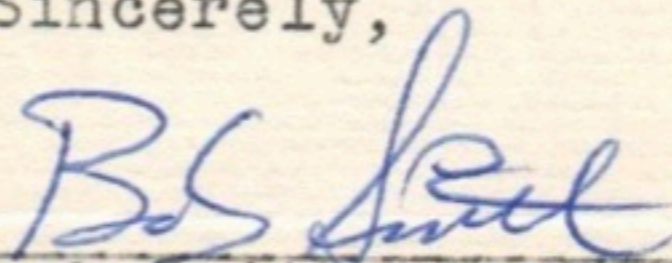

Dear Mr. Sampson:

This is to confirm your monitoring report of
August 26th.

WIXK's antenna is 309 feet tall.

The facility broadcasts non-directional with
5000-watts days. Glad to hear that we put a good
signal into Hutchinson. Tune us in again when you
get a chance.

Sincerely,

Bob Smith
