August 10, 1961

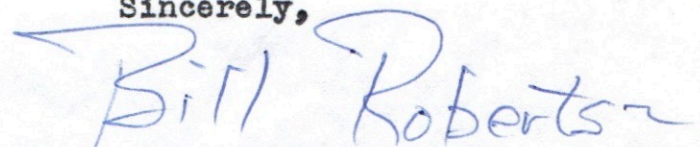

Dear John,

This is to verify your reception of our station on August 4, 1961. Your reading of our sign on was perfect.

Our only regret is that you didn't have a chance to hear the old-fashioned (?) adult type programming that followed.

Here's hoping that someday in the near future you will have an opportunity to hear our fine station.

Sincerely,

Bill Roberts
Assistant Manager
WMFT
