John Sampson  
1065 Jefferston st. so.  
Apt 10  
Hutchinson, Min..

Dear Mr. Sampson:

This is a verification of your audition letter dated October 16, 1961 and what you heard was correct.

WMOD operates on a newly installed 360 degree ground antenna from a transmitter site  $4\frac{1}{2}$  miles from the studios in center Moundsville. We operate on 2500 volts, .580 current and antenna current of 3.35

Thank you for contacting us on hearing our signal

Sincerely,

*Chuck Brand*
