OWOSSO BROADCASTING COMPANY, Inc.

OWOSSO, MICHIGAN • SARATOGA 5-8196  
March 8, 1961

Mr. John Sampson  
570 Prospect Street  
Hutchinson, Minnesota

Dear Mr. Sampson:

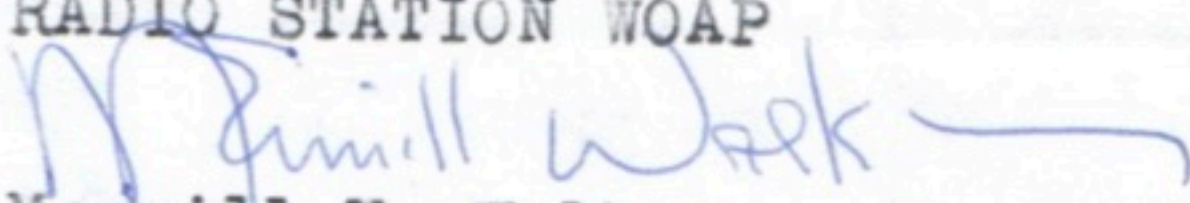

Thank you for the recent reception report on WOAP. I have checked your report against our log and find them to be in substantial agreement.

WOAP is a 250 watt independent that has been on the air since January of 1948. In that time we have received reception reports from as far west as Minnesota and as far east as Vermont and New Jersey. We think that's pretty good for a 250 watter. Our community of Owosso, by the way, is located 25 miles west of Flint in the mid-Michigan area.

It was good to hear from you.

Sincerely,

RADIO STATION WOAP
