

WOBT  
Rhinelander  
Wisc

John Sampson  
1065 Jefferson St - So.  
Apt 10.  
Hutchinson, Minn

Dear Sirs,

From 6:01 AM to 6:09 $\frac{1}{2}$  AM (CDT) on ~~6~~ May 8, 1961, I heard the following over WOBT on 1240 kcs.

6:01 - Sign on announcement (in progress) "... good morning, WOBT, Rhinelander, Wisc, operating on a frequency of 1240 kcs, with a power of 250 watts with studios & transmitter on highway 8, east of Rhinelander, Wisc. Time now for the news, from the WOBT radio news department.

6:01 $\frac{1}{2}$  News

6:03 $\frac{1}{2}$  Baseball scores

6:04 $\frac{1}{2}$  Weather forecast for Wisconsin

6:05 Ad for program "Rhinelander Radio mother of the year" presented by the Carlson Furniture Store, each day at 11:30 over WOBT

6:06 Polka

6:09 $\frac{1}{2}$  Announcement of the time & temperature, & another polka

WOBT was quite strong & easy to hear. There was interference from several other stations, but WOBT was on top. I used a Hammarlund HQ-129-X receiver with 4 $\frac{1}{2}$  foot (diagonal) loop antenna.

I would greatly appreciate a verification of reception from WOBT, & am enclosing return postage for your convenience in replying.

Thanking you in advance, I remain

Hi. John!

Info. is correct -  
William Anderson  
Chief Engineer  
at WOBT.

Yours truly  
John Sampson
