Dear Mr. Sampson:

This is to confirm your report of reception of this station on May 5th, 1961.

WRCO is a full time independent, operation non directional with 1 kilowatt day, and .25 kilowatt night. Power is increased to 1 kilowatt at 5:45 am CDT and reduced to .25 kilowatt at 8:15 pm CDT. We are now in our 12th year of operation.

Thank you very much for your letter.

Sincerely,

Peter Athanas
