*The South Bend Tribune Stations*

December 15, 1960

Mr. John Sampson  
570 Prospects  
Hutchinson, Minnesota

Dear Mr. Sampson:

This letter confirms your report of reception of WSBT broadcasting on a frequency of 960 kilocycles on November 28, 1960 from 7:12PM Central Standard Time to 7:23 PM Central Standard Time. Your report conforms to our log.

Thank you for your interest and your report.

Yours very truly,

Scott N. Hagenau  
Chief Engineer
