Apartment 10
Hutchinson, Minnesota

Dear Sir:

With pleasure we take this means of verifying your reception of Radio Station WSON on August 29, 1961 at 6AM.

We operate daytime only on 500 watts feeding a quarter wave vertical antenna in series. Our pattern is non directional. The antenna height is 300 feet.

We are also enclosing a coverage map for your information.

Very truly yours,

D. E. Gibson
Chief Engineer
