Dear Mr. Sampson:

Thank you for your letter dated April 3, 1991 regarding a radio broadcast from our Fort Frances Travel Information Centre. Unfortunately, a delay in processing detailed response letters has prevented us from servicing your request until now.

We are forwarding your letter to the radio station in question for the details on transmitter power and antenna arrangement. They will also be able to confirm in writing your reception of their broadcast last November.

Once again, please accept our apologies for not being able to answer your letter more promptly. We trust we have been helpful.

Yours sincerely,

Nancy Copeland
