RE: RECEPTION CONFIRMATION

Dear Mr. Sampson:

This letter is in response to your letter, at which time you gave us proof that our signal was picked up on May 4, 1993.

Please note that your information was correct and you did in fact pick up 1090 CHEC.

Note that our format and call letters have since changed, as we've gone to a rock format, now calling ourselves:

CKRX 1090 Rocks

We officially launched our new station on May 21, 1993. Please try receiving our signal now. It would be interesting to see if our signal strength has changed since May 4th.

Regards,

A handwritten signature in blue ink, appearing to read 'Cliff Stoakley'.

CLIFF STOKLEY
PROMOTIONS DIRECTOR
CKRX 1090 Rocks
