Dear Mr. Sampson :

We have received your reception report and it was indeed CHIN Radio 1540 you picked up on January 5, 1994. The program you heard was MUSIC OF YOUR LIFE, ITALIAN/ENGLISH, NICO NAVARRA. I have included a program schedule of AM/FM programs and I highlighted the program you heard. I apologise for the delay in replying promptly. My program Director has been away for a while and I have been very busy with Engineering and Operations also since I am assistant for the both departments. It is great to know that you can pick up CHIN Radio. Very frequently we receive reception reports from Finland, Scotland, England and the U.S.A. that time of the year, especially from Finland where it is mainly night in those months. If you compare notes with your colleagues, you may find that we may have replied to someone you know. I would also like to inform you that we also have a sister station 100.7 FM.

Your hobby, dx-listening, is quite interesting. We are always eager to receive letters of reception reports from all over the world and thank you for taking the time to write and let us know. If you do visit Toronto, please let us know so you can be given a tour of the Radio station.

Enclosed please find a program schedule & satellite schedule(old), stickers, and the latest CHIN Radio newsletter for your interest and information. (The satellite schedules need to be updated so the most recent information is on the newsletter).

Best regards in your future endeavours.

Yours truly,

*Cathy-Ann Percy*
