

CHYR 96.7 FM

CANADA'S *Favourite* COUNTRY

April 1, 1992

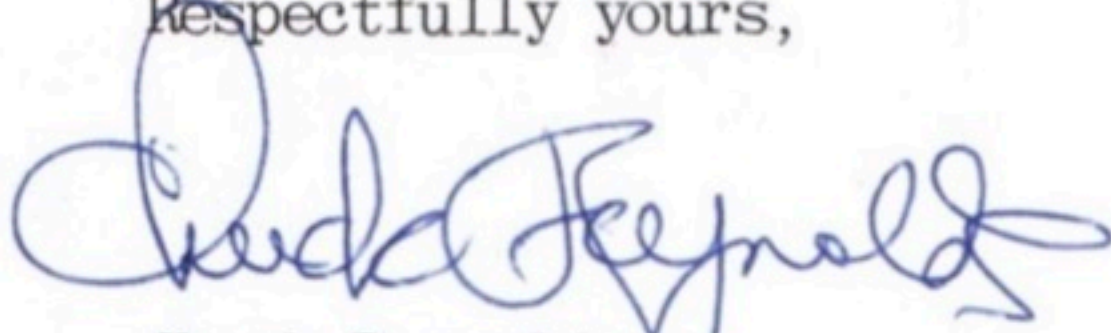

Dear Mr. Sampson,

Sorry to respond on "FM" letterhead. We ran out of "AM" letterhead a while back. We received permission from the C.R.T.C. to transmit on the FM frequency 96.7. We will probably be on FM by August of this year.

At that point, the AM frequency of 710 will no longer be used. As you noticed, too, for the time being, while we are under FM tower construction, we are broadcasting full-time on 710. We've been doing that since the second week of March.

We've received letters over the years from DX'ers from as far away as Finland, Scotland, East Germany and England. We hope this letter will help add to your collection of 2,500.

Respectfully yours,

Chuck Reynolds
Program Director

P.S. Oops! I failed to mention that what you heard on March 22, 1993, from 11:21 pm to 11:56 pm (eastern time), on CHYR was indeed correct. Thank you.
