FEB 8/96.

Dear John,

Just a note to confirm your reception of CKLY 910 on Nov. 6/95.  
The brief programming description you sent was definitely a segment of  
CKLY's broadcast schedule at that time of the day.

BY the way, the news reporter you referred to was a national feed from  
the news organization 'Broadcast News,' and his name is actually 'Dan Daoust.'

Continued good luck in your reception efforts!!!

Sincerely,

Dave Illman

Program Director

P.S. Can we have Paul Molitor back?
