Mr Sampson:

Our Station slogan at Radio Disney is... "We're all ears!" That should be your slogan also, especially if you can receive our 5000 watt daytime and 500 watt nighttime signal in Arizona, as you letter proves. Your transcript of our February 8th broadcast was very accurate!

You should try our Atlanta, Salt Lake City and Birmingham affiliates to round out you collection.

Brian Acker- Station Manager
KDIZ AM- Radio Disney
