

John Sampson

John I Received your Letter 3-31-82  
And I Am confirming your correct Listening  
program schedule that you have sent along.  
On hearing us out East, this was problem  
A Proof of Performance test that stations  
do to check Equipment & calibration.

Thanks again for the letter & sorry about  
this letter not being typed, but this is the  
quickest way to respond to your letter!

PG-16-227, Engineer KDWA
