Dear DXer:

Please accept this reply as confirmation of your recent signal report of KFNW. The station operates at 1200 KHZ with 10,000 watts non-directionally during the day, and with 1,000 watts directed to the north at night. We are a vital part of a 10-station Network owned by Northwestern College, broadcasting the Good News that Jesus Christ died for man's sin and provides forgiveness if only one invites Him into one's life.

Thank you for writing.

Sincerely yours,

Robert L. Benjamin

Chief Engineer
