Mr. Sampson:

This letter will confirm your reception of KFUE-AM on Friday Nov. 10, 1995 from 4:59 PM to 5:30 PM CST. Thank you for your letter and your interest.

The station is located on the grounds of Concordia Seminary but is not part of the seminary operation. This location is near Big Bend and Clayton Roads in the city of Clayton, a suburb of St. Louis, MO. The tower is a self supporting type with four sides and is about 315 feet high. The transmitter is a Gates BC 5 HA which was put in service in 1972.

Again, thank you for taking the time to write and enjoy your hobby.

Cordially,

John Fischer
Broadcast engineer
