Dear John,

This is to confirm your reception of KGGO-AM on December 15, 1993. The programming described in your correspondence correctly reflects the programming described in the station logs for that date and time.

Since your reception report KGGO has changed call letters to KDMI-AM 1460. We now operate with a religious programming and sports format. I have enclosed a daytime and nighttime coverage map. I hope you will try to receive us with our new call letters and if you do I will be happy to send you a new letter of reception for KDMI-AM 1460.

Thanks again for your reception report.

Sincerely,

Jerry Slegb
