

1/8/87

John M. Sampson
5210 Girerd Avenue South
Minneapolis, Minn. 55419

Dear sir:

This is to confirm your reception of KGHR on January 2, 1987.

KGHR operates with a daytime power of 5,000 watts into a four tower directional antenna with the north area in a minor null of the pattern.

Sincerely, *Don Franz*
