Dear John,

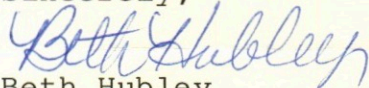

Thank you so much for the letter you sent regarding your reception of KJIA Radio. This letter will confirm your reception of KJIA on April 25, 1993.

Please let us know of other times you are able to pick us up. We have also been contacted in previous years from people in other countries, I believe Australia and perhaps Greenland, where our signal has "skipped" and they had received us too.

I've enclosed some information regarding our station. Your hobby sounds very interesting. I have heard of it before, but do not know much about it. I hope to learn more about it. Can you advise of any books I could get from our library, or an organization that I could write to?

Thanks again, and happy hunting for new stations!

Sincerely,

Beth Hubley

General Manager (the one you heard on the sign-off announcement)
