Dear John,

Glad we have a listener in so. Minneapolis!(ha ha)  
I am suprised you can hear us at your So. Minneapolis location because we must protect your area. We do not run the American Top Fourty program but we do have a cash call contest and we do run ads for Ivans resteraunt so I think you were hearing us and someone elce as well.

We run a Mcmartin 2.5kw daytime power from four towers and a night three tower aray at lkw. Keep up the good work.
