Mr. Sampson,

Let this letter serve as confirmation of your reception of KKCQ on 11/20/90. We became KKCQ in November of 1984, just celebrating our 6th anniversary. However the AM station has been in existence since 1966. An FM was added in 1969 I believe, which was one of the first FM's in northern Minnesota. We currently operate as KKCQ AM & FM FOSSTON/BAGLEY....Bagley being a nearby town we have chosen to dual ID with.

Sincerely,

Phil Ehlke, manager
