Mr. John N. Sampson

Dear John:

Thanks very much for your recent letter regarding the reception of our signal in the Twin Cities area. You may consider this letter as verification of your receiving Talk Radio 1470 KKSC on July 10th, 1995.

KKSC gets similar QSL letters from time to time and I enjoy receiving each one of them. Recently, I was even able to receive our station on the car radio while vacationing in the International Falls area early one morning. I found that to be quite interesting.

We feel privileged to be able to include our station call letters to your collection of reception reports. I hope conditions will be such that you can tune us in again sometime soon, and please feel free to stop by if you are ever in the Sioux City area.

Sincerely,

Bob Bakken
KKSC Operations Manager
