Dear Mr. Sampson:

Thanks for your letter and reception report. This will confirm your reception of KKSU on Wednesday, April 14, 1993.

You joined us as MUSIC FROM THE MASTERS was being aired. The Symphony was the Schubert 8th, with the Academy of St. Martin in the Field (it was Sir Neville Marriner's birthday) and that was, as you indicated, followed by Respighi's *The Birds*. And at 3:03 our daily news magazine DAYBOOK began - again as you indicated in your letter.

You've just expanded our listening area by about two states. Now if I could just convince the rest of your fellow Minnesotans get a Collins UR388 receiver with a loop antenna, we could thoroughly confound the folks at the Arbitron rating service.

Your monitor letter will go into our file and again I thank you for listening and letting us know.

Cordially,

Ralph S Titus  
General Manager,
