Dear Mr. Sampson:

This will confirm that you did indeed pickup KLMO Radio on 11/13/90 at 1060 on the dial. Thank you for the log and for joining us here in Longmont, COLORADO.

In the old days (before 1955...we used to test our 250 watt xmatter after midnight..and it was no unusual to receive letters and cards from Australia and New Zealand. Now there are more signals on the air..and more traffic.

Thanks again for the correspondence.

Respectfull16,

WM. G. STEWART, MGR KLMO, LOngmont, CO. 80501
