Dear John,

Congratulations on your reception dated March 1, 1987 of KLSC-AM radio. Your log from 5:39 to 5:54 pm mountain time is correct. It is quite unusual for you to receive KLSC in your location considering that you are in the main lobe of KAAY Little Rock.

It is always a pleasure to hear from a DX'ER like yourself. Enclosed is a little information about KLSC and its owner CENTURY BROADCASTING. Good luck on your future listening!

Sincerely,

Mark W. Petersen
