January 13, 1995

John,

Here is your response confirming that you did indeed pick up KNFX 970 AM out of Austin, MN. It was actually a simulcast of our FM station KMFx 102.5 in Rochester. When you look at my enclosures you'll see what I mean.

Thanks for "tuning" us in, too bad the reception wasn't good enough to listen longer...

Sincerely,

A handwritten signature in blue ink that reads "Grover Collins".
