Dear Mr. Sampson,

Thank you for your letter of 13 November in which you noted reception of KNOW (1330 kHz) from Minneapolis-St. Paul. I have responded to many requests for "CQ" over the years, but never one from Minneapolis!

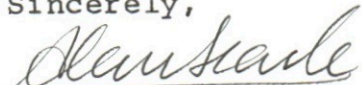

However, as an avid DX'er myself, I will respond to any request for confirmation. Here's yours.

KNOW does have three affiliate stations, all on the FM band. They are KNSR FM 88.9 from Collegeville (which you also may be able to hear in South Minneapolis), KZSE FM 90.7 in Rochester, and WSCN FM 100.9 in Cloquet-Duluth.

We are hopeful to someday have KNOW on an FM channel in the Twin Cities, but no luck so far.

Good luck in your dial-searching... and thanks for listening.

Sincerely,

Alan Searle
Program Director
