Dear Mr. Sampson,

This will confirm your reception of KOFI on 11/12/90.

We had changed to our daytime pattern at 7:45 a.m. that day.

KOFI-AM has been on the air since Nov. 11, 1955. The station began as a 1KW daytimer, in 1958 went to 5KW, in 1967 to 10KW and finally to 50KW in 1981. We broadcast 24 hours a day with a program format of soft contemporary music with a heavy emphasis on news and information.

Thank you for your report.
