Dear Mr. Sampson:

This will confirm your reception of KSJN/1330 AM on Monday, January 23, 1984.

KSJN broadcasts 24 hours a day (except 0000-0500 Mondays) from transmitter facilities on Davern Street near Shepard Road in St. Paul. The station broadcasts at 5000 watts, and with the same power but a somewhat directional pattern after sunset. The major area of coverage is the Twin Cities metropolitan area.

Thank you for your interest.

Sincerely,

Rick Lewis, Vice President
