

February 7, 1985

John Sampson
5210 Girard Ave. S.
Minneapolis, MN 55419

Mr. Sampson:

This will confirm reception of KTCJ-AM on 23 November 1984 from 1021-1039 CST.

KTCJ operates with a daytime power of 500 Watts, with a basicly NW by SE Directional Pattern. KTCJ uses the Kahn-Hazeltine I.S.B. AM Stereo system.

Thank you for your reception report.

Kenneth Cummings
Chief Engineer
