On the basis of the above details, I wish to request a brief letter confirming the fact that I have received your station's signals. I collect these letters as a hobby and would be most pleased to add your confirmation to my collection. For your convenience in replying I have enclosed return postage. Thank you for your time and consideration. I hope this report has been of interest to you. *The self-addressed, stamped envelope*

I'd greatly appreciate a confirmation of my reception of KUOM as I'm trying to confirm all AM broadcast stations in Minnesota. Many thanks!

Sincerely,
