Dear Mr. Sampson,

I was amused at your interesting hobby. 2500 letters is quite amazing. In any given year, with ownership changes, format changes, etc., half of those could come from one market! In the six years I've been here, I've seen 2 ownership changes, 5 format changes, 5 morning hosts, innumerable sales turnover, and on and on and on.

If you make your way to Chicago, I urge you to visit the museum of broadcast communications in the fine arts building (the old Chicago library) at Michigan and Dearborn. Your letters would make quite a display!

regards,
