Dear Mr. Sampson,

This will confirm your reception of WAUR on March 22, 1993. WAUR is a 2500 watt station licensed to the city of Sandwich, Illinois. Our major target area is Aurora, a fast growing suburb southwest of Chicago. With a population of 100-thousand, due to it's growth potential, Aurora is predicted to be the second largest city in the state of Illinois before the end of the century.

WAUR plays the "oldies" and hit's very heavy with local news and sports. We are also an affiliate of the Chicago Bulls, in addition to carrying University of Illinois football and basketball.

I congratulate you on your 2500 letters from radio stations. That is quite a collection.

Best Regards,

A handwritten signature in dark ink that reads 'DEAN ABBOTT'.
