Dear Mr. Sampson:

We are pleased to confirm your reported reception on November 23, 1994 of WGEE in Minneapolis, Minnesota.

WGEE originally signed on the air as WTAQ in Eau Claire, Wisconsin in 1922. The station was purchased by Saint Norbert's College in 1936 and moved to Green Bay. In the late 1940s the call letters were changed to WBAY and on September 1, 1975 were changed to WGEE when Midwest Communications assumed ownership of the station.

WGEE operates with 5000 watts fulltime utilizing a four tower directional antenna during night hours. We have received reception reports from all over the world including Europe, New Zealand and Africa.

Thank you for your DX report. It is always fun to hear from a distant listener.

Best regards,

D. E. Wright (KQ9T)
