Dear Mr. Sampson:

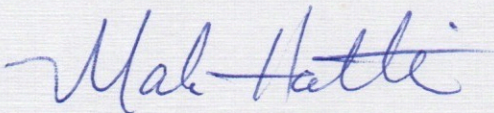

I am happy to confirm your reception of WMQA on May 19, 1996.

We get letters like yours from time to time and it is always interesting to hear about the places our signal turns up.

It is especially interesting since our AM daytime power is 5,000 watts and our AM nighttime power is 500 watts.

We enjoyed your letter and wish you well. We would welcome you back for a visit to our wonderful area!

Sincerely,

Mark P. Hartzheim, Station Manager
