Dear Mr. Sampson,

This will confirm you reception of WOI on July 17, 1995 at 3:00 P.M. CDT.

I appreciated your comments about your receiver and antenna. Our AM transmitter was moved to an Iowa State farm that is located three miles west of the Ames airport in 1960. In 1985 we added a second tower for night time operation at 1,000 Watts. I have enclosed a coverage map.

Thanks for your informative report.

Sincerely,

David J. Knippel
Chief Engineer
WOI & WOI-FM
