Dear John,

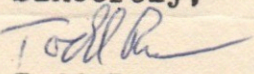

Thank you for your signal report of December 1st.

You indeed were receiving WQPM. Your report of reception verifies it.

You might try receiving our FM station at 106.3. The station in River Falls, Wisconsin shares the channel with us, but you may get us with a directional antenna.

In regard to the test on November 5th, see the enclosed letter.

Thanks again. Hope to see a report from you after the January test.

Sincerely,

Todd Rust
Chief Engineer
