Dear John,

Thank you for your letter. It's nice to know we have a listener in Minneapolis.

Consider this letter a confirmation of your reception of Newsradio WSPO on April 28, 1993. The programming information you gave us was airing on our station that night. The reason you lost our reception at 7:48 pm was that we have to power down at nights to meet FCC requirements on clear channel 1010, which we share with two Canadian stations.

I hope this adds to your collection. Thank you for listening to "AM 1010 WSPO." If we can ever be of assistance in the future please let us know.

Sincerely,

Richard L. Muzzy
