Dear Mr. Sampson:

This letter is for the purpose of confirming your reception of radio station WWJC on 850 khz on Thursday November 8, 1990.

It was interesting to learn that you previously responded to an equipment test we made in 1970. At that time you resided much further away, but the report of our actual daytime coverage you recently documented is of more significance to us.

Thank you so very much for the fine detailed report on the reception and the equipment used.
Good Luck to you as you continue to pursue a fine hobby.

With kindest regards,

Roger Elm
Exec. Dir. WWJC Radio.
