February 24th, 1966

Mr. John N. Sampson,
90 Pearl Street,
New Providence, N.J.,
U.S.A.

Dear Mr. Sampson:

Many thanks for your reception report of February 19th
on CHFI-AM on 1540 kcs.

We have checked our log and are pleased to confirm the
accuracy of your report.

We expect to be on 680 within the next 30^{days} - various
engineering delays have been experienced but a breakthrough is
expected almost immediately.

Yours sincerely,

ROGERS BROADCASTING LIMITED
