Yes, the description given in your letter is an accurate listing of the broadcasting for that date.

Perhaps you were not aware that WAWZ FM broadcast 18 hours daily in stereo. We are planning to devote the evening hours on the AM to foreign language and especially Spanish programming this fall. There is not enough being done for the Spanish-speaking people in this area, and we expect to provide them with good Spanish music and programs of an uplifting nature in their own language.

Thanks again for writing.

Yours most cordially,
WAWZ and WAWZ FM
