CONFIRMATION OF DX REPORT

Dear Mr. Sampson: Thanks for your report on hearing WCPK in New Providence, N J on Feb 26, 1973. Delighted you could null out WWRL enough to identify us. Apparently in most points..WCPK was dominant on 1600. Response most gratifying from Nova Scotia to Chicago to Tampa, Florida and points in between. It is our pleasure to be of service.

Cordially
