DIAL 159 PHILADELPHIA: SA 7-1212

March 30, 1966

Dear John:

This confirms your reception report of WEEZ
Chester, Pa. 1590 Kc. 1000 watts, on February
26, 1966 at 3:10 PM EST.

Our transmitter is a Gates BC-1G, 1000 watt AM
transmitter using 2-833A's in the final and using
2-833A's as modulators for high level Class "B"
Modulation.

WE here at WEEZ are glad to have reports of
our reception.

Very truly yours,

Gerald Meier
